

THURSDAY 2 JULY 2026

After the second batch, work began on new designs

Took part **5**
Where **aikyam space, Fort Kochi**
Run by **Mary Gracy**

Facilitators **1**
Club **Stitching Club**

We finished the second batch and started looking at new bag designs and products. We're now focusing on making better use of fabric cut pieces by turning them into useful items instead of letting them go to waste. We're experimenting with new ideas while finding practical ways to reduce material waste.
