
TUESDAY 30 DECEMBER 2025

ARISE set goals for 2026 and mapped their stakeholders

Took part **14**
Where **aikyam space, Fort Kochi**

Facilitators **1**
Run by **aikyam space**

We ran a program design workshop with ARISE, who work on mental health awareness and action in local communities through volunteering. The day covered compliance for non-profits, a review of the past year's work, and goal setting for 2026 – including key stakeholders' top three needs and draft impact levels L1 to L4. Yasar Arafath and Junide Khalid Odungat took part.
