

SATURDAY 4 JULY 2026

Children began using the new Reading Corner

Took part **7**
Where **aikyam space, Fort Kochi**
Run by **Olimalar Foundation**

Facilitators **1**
Club **Reading Club**

The science class continued with hands-on learning. Children also began using the new Reading Corner. The reading programme follows a research-based approach adapted from proven models such as ASER and Teaching at the Right Level (TaRL), helping children build a regular reading habit based on their current reading ability rather than their age or grade. The goal is not just to provide books, but to help children enjoy reading and build confidence over time.
