
MONDAY 30 SEPTEMBER 2024

Two organisations built their own websites over two days

Took part **5**
Where aikyam space, Fort Kochi

Facilitators **2**
Run by aikyam space

Over September 24 and 25, Naji Mahfood and Shaniya of Ignite India and Khoj, and Aayushee Jevish of Ninety Degrees, worked on telling their organisations' stories. Megha trained them in the basics of Ghost; Jinso covered servers, self-hosting with NGO credits and mapping a custom domain. Naji built an impact storytelling platform for Ignite India, and Aayushee built the Ninety Degrees website.
