Fever slowed work on the second batch

Took part **6**
Where aikyam space, Fort Kochi
Run by Mary Gracy

Facilitators **1**
Club Stitching Club

Meanwhile, we continued working on the second production batch. Progress was slower than anticipated, as several members were unable to attend regularly due to having fever. Despite this, the session reflected the growing interest in the programme and highlighted the importance of developing strategies to ensure continuity when key members were unavailable.
