The Global Shapers Kochi Hub inducted its new Shapers

Took part **8**
Where **aikyam space, Fort Kochi**

Facilitators **1**
Run by **aikyam space**

Global Shapers Community Kochi Hub held its induction programme at aikyam space on 28 October 2023. We welcomed and onboarded newly selected volunteers, known as Shapers. The day ran on activities, team-building sessions and collaborative workshops. GSC is an initiative of the World Economic Forum, and the Kochi Hub works on local projects addressing issues in the city.
