

WEDNESDAY 8 JULY 2026

Many of the fabric scraps turned out unusable

Took part 4
Where aikyam space, Fort Kochi
Run by Mary Gracy

Facilitators 1
Club Stitching Club

During the stitching session, we found that many of the available fabric cut pieces were not suitable for making good-quality products. As a next step, we planned to visit more boutiques to look for better fabric scraps. We also held a discussion on how to better support and engage Level 1 members so they can continue improving their stitching skills and take on more responsibilities in the future.
