

THURSDAY 9 JULY 2026

Members went to boutiques hunting better fabric scraps

Took part **4**
Where **aikyam space, Fort Kochi**
Run by **Mary Gracy**

Facilitators **1**
Club **Stitching Club**

During the stitching session on 14 March, we visited local boutiques to collect better-quality fabric cut pieces for future products. We also experimented with new travel bag designs, using the session to test ideas and improve our product range. The activity highlighted the importance of finding suitable materials while continuing to develop new designs.
