iLAB's team worked through program design and fundraising

Took part **4**
Where aikyam space, Fort Kochi

Facilitators **1**

Nasmina, Sabeena Ibrahimkutty and Kadeeja Fidha of iLAB India came to work on program design, monitoring and evaluation, and fundraising.

We ran activity-based sessions. In those sessions, we identified who was involved and what they needed. We wrote the problem statement. We also worked through funding requirements and how results would be measured.

iLAB works with women and children in coastal Kozhikode.
