Pranava Institute surveyed technology barriers in Fort Kochi

Took part **3**
Where **aikyam space, Fort Kochi**

Facilitators **1**
Run by **aikyam space**

We spoke with Dhanyashri from Pranava Institute, Delhi, about their survey on technology barriers faced by NGOs, Kudumbashree members, ASHA, and ICDS workers in Fort Kochi. After the discussion at the space, we went around the community to speak with people and understand their experiences and challenges with technology.
