

SATURDAY 25 JULY 2026

The reading club began testing each child's reading level

Took part **22**
Where aikyam space, Fort Kochi
Run by Olimalar Foundation

Facilitators **1**
Club Reading Club

We began assessing the reading levels of children using the Teaching at the Right Level (TaRL) approach developed by Pratham. The assessment helped us understand each child's current reading ability so that future sessions could be planned according to their learning needs, allowing every child to learn at a pace that was right for them.
