Thirteen banana chips were tasted to find Fort Kochi's best

Took part **14**
Where **aikyam space, Fort Kochi**

Facilitators **1**
Run by **aikyam space**

We held a banana chips tasting session with aikyam members at the space to find the best banana chips in Fort Kochi. We tasted around 13 different chips from local shops, comparing and discussing them on taste, crunch, oiliness, salt, and overall experience. It turned into a delicious debate. We are planning to do another one with community members soon.
